## Your child is scheduled for a physical examination (school, sports or otherwise)

Please bring with you a copy or report of all Immunization records that your child has received.

You may wish to contact any prior physicians that he or she has seen who you know to have these records and receive a copy from them to bring to your child's appointment. We may not be able to honor your appointment without these records so please help us to provide the best and safest care possible for your family.

If you are certain that we have your child's immunization records, this will not be necessary. If you are not certain, please call the office to confirm.

Thank you for your cooperation. Please do not hesitate to contact us with any questions or concerns you may have.
